X43 is an extremely well-equipped cruising yacht with smooth hull lines. It's a perfect sailboat for careless cruising or it can turn into a true wave breaker and wind tamer.

The cockpit is spacious and uncluttered. It has twin wheels placed far aft and a table between them. The swim platform makes easy access to water or dinghy and also is a great place for relaxing.

The saloon features two long straight settees positioned on either side of a table. The galley is well equipped which will make cooking more enjoyable.

The X4³ has a spacious three cabins, with enjoyable double berths and comfortable heads with shower.
