EQUIPMENT

- Air-condition,
- Generator,
- GPS with plotter,
- Depth sounder,
- Autopilot.

A generous passage maker, the Swift Trawler 41 successfully renews the spirit and style of the trawler range.

Her wheelhouse offers a strikingly generous glazed space, while the fore deck, with its large sun pad and a high protective pulpit make this long-distance cruiser even more distinctive.

Her new hull has also been designed for optimum fuel consumption and efficiency.

Brightness, user- friendliness and comfortable living characterize the welcoming yet practical spaces of the Swift Trawler 41.

The aft galley links seamlessly with the cockpit, which has a sliding bench making it easy to get to the swim platform.

In the wheelhouse, the pilot site rotates, allowing eight passengers to sit down in the saloon.

The lounge space converts to a comfortable double berth sleeping space, surrounded by a curtain for privacy.

The Swift Trawler 41 can easily welcome up to 7 passengers with the convertible lounge.
