

60' Sunreef

Where luxury sets sail

SINATA

INTERIOR

“SINATA” has a smart, elegant, and modern custom design with plenty of space

Huge windows all around the saloon allow plenty of sunlight and panoramic views. Sliding glass doors on both sides of the living room, transform the area into one glorious open-air space.

CABINS

All cabins are ensuite
and have A/C units with
individual controls!

Both Master and Guest rooms will spoil you
by waking you up and putting to sleep with
an endless sea view!

EXTERIOR

Planning a family cruise, romantic gateway, or friends gathering?

“SINATA” will win your admiration by offering al-fresco dining areas in the cockpit and flybridge, a hydraulic platform that can lower to the sea level, and a tranquil terrace in the bow that calls for a refreshing drink and relaxation in a hammock over the splashing waves.

SAIL SAIL

Sunreef 60 "SINATA" was born to let your dreams set sail...

Exclusive comfort at sea, combined with the Mediterranean's heavenly oasis and professional crew, will indulge your love of exploration in-between the sea and the sky.
