OVERVIEW

MY SECUNDUS is a newly built luxury motor yacht in the market. As any Sanlorenzo yacht, she is immediately recognizable, at first glance. Once on board, you can breathe in the atmosphere, enjoying the seamless layout, grasping through all your senses the painstaking attention to detail. An ample lounge area at the bow in the shade of an awning, and a flying bridge larger than what you would expect to find on a 24-meter yacht. The interiors, completely personalized like all Sanlorenzo boats; the cabins, all with private bathrooms, large windows and games of mirrors amplify the natural lighting. MY SECUNDUS offers everything you need for remarkable comfort in close contact with the sea.
